

Corporate Governance Code Compliance Statement

The Management Board and Supervisory Board of Krka, tovarna zdravil d.d. Novo mesto hereby state that in 2007 individual members of the Management and Supervisory Boards, and the Management and Supervisory Boards as bodies of a public limited company have acted in compliance with the principles of corporate governance and have worked to ensure their implementation within the company.

Krka complies with almost all the provisions of the Corporate Governance Code, which has been valid since 5 February 2007, and is published in Slovene and English on the website www.ljse.si.

The exception is the provision 1.2.6. Organised Collection of Proxies. The Company operates and publishes information as transparently as possible via public media and its own website, and the special issue of the Utrip review, which small shareholders receive before each general meeting, which encourages all shareholders to actively and responsibly exercise their rights. Nevertheless, the company does not organise the collection of proxies, which encourages shareholders to participate in general meetings in person, or to exercise their governance rights at general meetings via proxies they select themselves.
