

STATEMENT OF COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE FOR JOINT STOCK COMPANIES

The permanent goal of the governance and management system in Gorenje, d.d. and the Gorenje Group is to observe and surpass the agreed and established standards. A high degree of transparency of operations and excellent communications with shareholders and other stakeholders are also recognized in our environment as values of Gorenje. For this reason the Company is continuously endeavouring to improve and upgrade the attained level.

The Management Board and the Supervisory Board of the Company hereby declare that Gorenje, d.d. observes the Corporate Governance Code for Joint Stock Companies in its work and operations, except in the cases disclosed below together with relevant explanations:

Chapter 1. Relationship between the Corporation, Shareholders and other Stakeholders

1.1. Company goals

Recommendation under item 1.1.1.:

The key goals of the Company are not specifically defined in the Articles of Association, but are included and clearly defined in the mission of the Company: »To create original, technically perfected, superiorly designed as well as user- and environment-friendly products for the home. We are focused on improving the satisfaction of customers while creating value for our owners, employees and other stakeholders of the Gorenje Group in a socially responsible manner«.

1.3. General Meeting of Shareholders

Recommendation under item 1.3.19.:

According to the current practice, the General Meeting of Shareholders adopts resolutions on discharges of the Management and Supervisory Boards jointly. Given the established work practices and the recognized high standards of cooperation between these two bodies in jointly addressing issues relevant for the Company and its development, the legally prescribed equal treatment of duties and responsibilities of their members and the attained level of trust, the Management Board and the Supervisory Board do not plan any changes in this area. Furthermore, the members of the Management Board and Supervisory Board who are also shareholders and participate in general meetings may vote on resolutions on their discharge. Considering the small number of shares held by these members, the limitation of voting rights in practice has no major relevance. Therefore, in the given circumstances the Company does not plan on introducing any such limitations of voting rights and allows shareholders to decide on such matters at their discretion.

Chapter 2. Management Board

2.3. Remuneration, compensation and other benefits, and the ownership of company shares

Recommendations under items 2.3.2. and 2.3.3.:

The Supervisory Board assesses the performance of the Management Board as a whole and not individually, i.e. on the basis of the Criteria for the Determination of Corporate

Performance of the Gorenje Group, adopted for this purpose by the Supervisory Board of the Company, which has proved to be appropriate in practice.

Chapter 3. Supervisory Board

3.1. Duties and responsibilities

Recommendation under item 3.1.10.:

The Supervisory Board evaluates the performance of the Supervisory Board as a whole and not of individual members. The Supervisory Board generally meets in its full composition and all of its members regularly participate in discussions and in this way contribute to the integral performance of the Supervisory Board in accordance with their responsibilities, professional and other experience. The Company has therefore assessed that individual evaluations are not necessary.

3.4. Remuneration, compensation and other benefits, and ownership of Company's shares

Recommendation under item 3.4.1.:

For their work, the members of the Supervisory Board are entitled to meeting attendance fees and the reimbursement of expenses for meeting attendance. The members of the Supervisory Board are also entitled to the remuneration for performance in the form of profit sharing, if so decided by the General Meeting of Shareholders, which has proved to be appropriate in practice.

Chapter 7. Audit and the System of Internal Control

7.1. External auditors

Recommendation under item 7.1.5.: The audit of the financial statements of Gorenje, d.d. has been conducted by the selected auditing company, KPMG Slovenija, d.o.o., for more than 5 years. However, the composition of the audit group auditing the annual report of the Company has changed several times in this period.

This statement and the disclosure of deviations and their explanations relate to the provisions of the Corporate governance Code for Joint Stock Companies, which was jointly phrased and adopted by the Ljubljana Stock Exchange, Inc., Ljubljana, the Association of Supervisory Board Members of Slovenia, and the Managers' Association of Slovenia on 18 March 2004, which agreed on and adopted amendments thereto on 14 December 2005 and on 5 February 2007.
