All shares have been fully paid-in.

Article 5

All shares belong to one single class of shares.

Shares are issued in non-materialized form and duly registered with the Central Securities Clearing Corporation Inc., Ljubljana, in line with relevant legal requirements.

Rights arising from shares are transferred by the book ownership change in the Central Register of the Central Securities Clearing Corporation Inc., Ljubljana.

Shareholder is every person, registered as shareholder in the Share Register, kept by the Central Securities Clearing Corporation Inc., Ljubljana.

Article 6

Rights arising from the ownership of one share are as follows:

- one vote at the Shareholders Assembly,
- proportional share of balance sheet profit, to be distributed among shareholders (dividends),
- proportional share of assets from bankruptcy or liquidation proceedings in case of bankruptcy or liquidation of the Company.

Article 7

The Company may acquire own shares under terms and conditions set by legal regulations.

4. INCREASE AND/OR REDUCTION OF SHARE CAPITAL

Article 8

Increase or reduction of share capital shall be deliberated by the Assembly with 3/4 majority of represented capital.

The Management Board shall be authorized to, subject to Supervisory Board consent, carry out a capital increase within no later than one year after the changes to the Articles of Association as adopted at the 20th company Shareholders Assembly are duly registered; at the time of such capital increase, the company share capital shall amount to no more than EUR 119,629,015.46 and it shall be divided into no more than 28,667,897 ordinary freely transferable registered no-par value shares; with the capital increase, this share capital shall be increased by an amount of no more than EUR 9,681,964.61 (approved capital) to a total of no more than EUR 129,310,980.07, by issue of new shares in exchange for non-cash (in-kind) contributions. The new shares shall be of the same class as the outstanding shares. Increase of the share capital by the said amount of up to EUR 9,681,964.61 shall be effected by issue of no more than 2,320,186 new ordinary freely transferable registered no par value shares. New shares shall be issued in exchange for non-cash contributions at a price of EUR 4.31 per share. The Management Board shall be authorized to issue, subject to consent by the Supervisory Board, new shares in exchange for one or more non-cash (in-kind) contributions, subject to the following conditions:

- the non-cash contribution shall be the receivables pertaining to loans granted to the Company;
- the value of such non-cash contribution shall be equal to the nominal value of the receivables;

- person from whom the Company shall obtain the non-cash contribution may be any financial institution that is a creditor of the Company as at the day of the convocation of the 20th Shareholders Assembly;
- the according amount of shares to be exchanged for the non-cash contribution shall be calculated by dividing the value of the non-cash contribution with the emission price per share; the result shall be rounded down to the first integer; then, the resulting integer shall be multiplied by the emission price per share.

Pre-emptive right of the existing shareholders shall be omitted (suspended). The acquiring party shall subscribe upon acquisition each share acquired by the debt-to-equity swap. Details regarding the increase of share capital, including the deadline for subscription and payment of the new shares and specification of the subject of one or several non-cash contributions, the person or persons from which the company shall accept such contribution, and the number of shares and the nominal amount of such shares to be issued and provided in exchange for the contribution or contributions, shall be specified by the Management Board, subject to Supervisory Board's consent, and announced in advance in a prospectus.

5. BODIES OF THE COMPANY

A. Management Board

Article 9

The Company is managed by the Management Board who always act for the best benefit of the Company independently and by individual responsibility.

The Board has powers and duties to carry out all tasks defined by legal regulations, plus all other duties which by legal requirements or the present Statute do not fall into the responsibilities of other bodies of the Company.

Article 10

Management Board is appointed and recalled by the Supervisory Board, who also determines the number and responsibilities of particular Management Board member by relevant resolution.

Term of office of each Board member is 5 years, with the option of renewed appointment. Management Board shall comprise the President and not less than two members, of whom one is the labour director.

Labour director shall exercise equal rights as all other members, and shall represent interests of employees in regard to recruitment and social issues, but may not exercise powers of representing the Company, except in cases when the labour director on the Board is a person who had already been appointed as Board member.

Supervisory Board may recall the Management Board prior the termination of their term of office.

Article 11

The President and all Board members represent the Company individually and without limitations.

In representing the Company, the members shall respect relations between particular Board members defined by the Rules of Proceedings.

The Board shall deliberate upon matters from its competence with common majority of all members, with each member exercising the right to one vote. In case of a tie the ruling vote is cast by the President as the Chief Executive Officer.

Management Board shall adopt relevant Rules of Proceedings.

Article 12

Board members are jointly responsible to the Company for any damage resulting from breach of their respective duties, except if they may prove differently, and produce evidence that they appropriately carried out their duties and responsibilities.

Responsibilities of the Management Board do not cede in case business responsibilities for particular fields of operations have been delegated to other managers.

Article 13

Compensations of Board members must be proportionate to their respective powers and duties, and in line with the overall financial standing of the Company.

In case of deterioration in the financial status of the Company, when the economic position of the Company is threatened, the Supervisory Board of the Company may unilaterally reduce salaries of the Board members.

Board members may participate in the distribution of profit subject to the motion by the Supervisory Board and the approval of the Assembly.

Article 14

Management Board may appoint a proxy.

In the realization of its powers defined by the standing legislation, the present Statute and/or the relevant Supervisory Board resolutions the Management of the company may delegate the execution of particular issues to the officers with special authorizations, including the right to represent the company within the delimitation of the relevant business areas that they manage. However, the Management may not delegate the entire scope of its authorizations thereof.

The President of the Management Board shall sign relevant managerial contracts of employment with such officers with special authorizations, defining respective rights and obligations, as well as salaries for their work.

B. Supervisory Board

Article 15

The company has a Supervisory Board consisting of ten members.

Six Supervisory Board members representing the interests of the shareholders shall be appointed / elected by the Shareholders Assembly. Only experts on economy and related fields qualify for appointment into the Supervisory Board.

Four Supervisory Board members representing the interests of the workers shall be appointed / elected by the Works Council, pursuant to the legislation on worker codetermination and general acts / rules of the Works Council. The Works Council must inform the Shareholders Assembly about the appointment of Supervisory Board members.

No impediments based on the Companies Act may apply to any Supervisory Board member.

Article 16

Members of the Supervisory Board are appointed for the term of four years and may be re-elected without limitations.

Motion for the appointment of Supervisors representing the interests of shareholders shall be submitted by the preceding Supervisory Board.

Article 17

Member of the Supervisory Board may be recalled prior the expiry of his term of office. Resignation shall be approved by the 3/4 majority of Assembly votes.

Supervisory Board members representing interests of employees are revoked by the Workers Council in line with relevant legislation regulating workers participation in management, and in line with relevant Council statutes.

Article 18

Supplementary member of the Supervisory Board shall be appointed for the remaining portion of the relevant term of office, except if the Assembly rules differently with specific resolution.

Article 19

Supervisory Board shall appoint its Chairman from the Supervisors representing interests of shareholders, and one or more Deputy Chairmen.

The Chairman shall call and chair the Board meetings, and shall declare and announce the resolutions and decisions of the Supervisory Board.

Supervisory Board shall constitute a quorum if not less than half the Board members are

present, of which at least one Supervisor must represent interests of workers.

Supervisory Board may deliberate in absence of workers' representatives only if they had not been appointed by the Workers Council, or if the Council had failed to notify the Assembly accordingly.

Absent Supervisor may participate in deliberation of the Board by submitting his written ruling or decision.

Supervisory Board shall deliberate with common majority of cast votes. In case of a tie the ruling vote is cast by the Chairman. In case of Chairman's absence the meeting of the Supervisory Board is chaired by his Deputy who then has equal status as that of the Chairman.

Member of the Supervisory Board may not participate in deliberating upon matters concerning himself personally.

Voting outcome must be declared by the Chairman for the record and noted in the relevant minutes of proceedings.

Article 20

Supervisory Board shall appoint commissions and boards, and by specific resolution define their duties and powers, as well as compensations and payments to the persons, participating in such bodies of the Supervisory Board.

Supervisory Board shall define terms and particulars of its work in the relevant Rules of Proceedings.

Article 21

Supervisory Board supervises the performance of business in the Company. Its supervisory function is performed by reviewing the reports, submitted by the company management, especially in regard to the following:

- Planned business policy and other strategic issues related to business;
- Profitability of the Company, especially regarding return on capital;
- Financial status of the Company;
- Business deals that may have important impact to the profitability of the Company; and
- Any other issues related to the business of the Company and its subsidiaries.

The Supervisory Board shall also carry out other duties, such as:

- Appoint Management Board members, President of the Board, and deliberate upon their resignations;
- Define standards for managerial employment contracts and salaries of Board members and the President;
- Propose to the Assembly the auditor of the Company;
- Propose to the Assembly relevant deliberations if so defined by legislative requirements;
- Approve payment of interim dividend;
- Amend and adjust the text of the Company Statute with the standing resolutions of

- the Assembly; and
- Carry out other duties.

Article 22

Chairman of the Supervisory Board shall represent the Company versus the Management Board members.

Article 23

Supervisory Board shall review the Annual Report and motions by the Management Board for the allocation of balance sheet proceedings, and prepare written report in regard to the revision of the Annual Report to be submitted at the Assembly. Such report shall include scope and detail of reviewing the competence of managing the Company for the relevant business year period, and the Supervisory Board shall reveal its opinion on the audit report. If the Supervisory Board approves the Annual Report, such Report is deemed adopted.

The Supervisory Board shall submit its report to the Management Board within one month following the delivery of the Annual Report. In case the Supervisory Board should fail to submit its report within the additional one month extension of the above period approved by the Management Board, the Annual Report is deemed refused.

Article 24

Supervisory Board members shall be compensated for their regular work at the meetings and reimbursed for the costs incurred, as defined in the relevant Shareholders Assembly resolution.

Supervisory Board members may be awarded additional compensation for their work, as defined in the relevant Shareholders Assembly resolution. The payment should be relative to the Supervisory Board members' tasks and the financial position of the company.

C. Shareholders Assembly

Article 25

Shareholders may exercise their rights at the Shareholders Assembly.

The Assembly shall deliberate upon the following matters:

- Company Statute and its amendments and supplements;
- Allocation of balance sheet profits and release of responsibilities for the Management Board members and Supervisory Board members;
- Annual Report in cases defined by legal regulations;

- Measures for the increase and/or reduction of share capital;
- Appointment of auditor;
- Appointment and recall of Company Supervisors;
- Statutory legal changes and cessation of the Company;
- Other matters, defined by legal regulations or the present Statute.

When deliberating in regard to the allocation of balance sheet profit the Assembly is bound by the provisions of the approved Annual Report.

Article 26

The Assembly shall deliberate upon the approval of the Annual Report only if the Supervisory Board had failed to approve the Report, or if the Management Board or the Supervisory Board should surrender the approval to the Assembly.

In the above case the report submitted to the Assembly by the Supervisory Board must contain relevant resolutions of the Management Board and Supervisory Board.

If the Assembly should alter the submitted Annual Report, which in line to the legal requirements must be audited, the auditor must review such altered Annual Report within two weeks from the approval by the Assembly.

Article 27

The Assembly is called by the Management Board in accordance with legal provisions.

Management Board shall summon the Assembly upon the motion by the Supervisory Board or on the written request by shareholders whose joint shares aggregately amount to not less than one twenty (1/20) of the share capital. Such request by the shareholders shall contain purpose and motives of the call.

The Assembly is chaired by the Chairman, elected by the shareholders with common majority upon the motion by the caller.

Article 28

Standard summon of the Assembly is once a year. The venue for the meeting may be at the Company head office or elsewhere if so decided by the Company management.

Call of the Assembly is published in the daily "DELO" not less than one month prior the meeting is scheduled.

Call of the Assembly shall contain the agenda and draft resolutions to each agenda item.

Documents for the Assembly are available for review at the Company head office.

Article 29

As a condition for attendance at the Shareholders Assembly and exercising the voting right, each shareholder must register in writing their presence at the Shareholders Assembly no later than by the end of the fourth day prior to the Assembly.

Shareholder shall exercise his voting right personally or by legal proxy who in such cases

must produce relevant written power of attorney.

Each shareholder may appoint a proxy by electronic means. The shareholder must submit to the company a certificate on the appointment of a proxy by electronic means. The certificate must be submitted by electronic mail signed with a digital signature based on a valid digital certificate.

Each share shall represent one vote.

The Assembly shall rule with the common majority of cast votes, except in cases where a particular resolution requires other majority of cast votes by law or by the present Statute, or in case of ruling by the represented registered capital.

Article 30

Detailed ruling procedure at the Assembly may be defined in the relevant Rules of Proceedings.

Article 31

Any expenses incurred in the participation at the Assembly meeting shall be borne by shareholders.

6. ANNUAL REPORT, COMPANY RESERVES, ALLOCATION OF NET PROFIT AND BALANCE SHEET PROFIT

Article 32

Management Board shall prepare the Annual Report for the relevant business year within deadlines defined by legal regulations and/or other general statutes.

Calendar year is a business year.

The Management shall compile the annual report in line with the relevant legislation and financial reporting standards to be defined by the Shareholders Assembly of the company.

Article 33

The Company shall have legal and statutory reserves, as well as allocated reserves for own shares in case such shares had been acquired, and other reserves from profit.

Article 34

Statutory reserve is first allocated for the business year starting with 1 Jan. 2003.

Statutory reserve is allocated in the annual amount of 10% of net profit for the business

year, remaining after covering eventual accumulated loss, allocation of legal reserves, and eventual reserves for own shares, whereby its aggregate amount must not exceed 30% of registered capital.

Statutory reserve may be deployed as follows:

- for the increase of share capital;
- for covering loss and accumulated loss if they can not be covered from other assets;
- for the withdrawal of shares in case of forceful withdrawal, and withdrawal of shares by their acquisition by the Company itself;
- for the withdrawal of shares by the procedure of simplified reduction of registered capital;
- for the allocation of own shares if there are no other available assets;
- for the regulation of dividend policy.

Article 35

Net profit for the business year is allocated by the following priority:

1. for covering accumulated loss;
2. for allocation of legal reserves;
3. for allocations of reserves for own shares; and
4. for statutory reserve,

which must be considered by the management in the preparation of the Annual Report.

Management Board and Supervisory Board may use the remaining portion of net profit after satisfying the requirements from the preceding section of the present Article for other reserves from profit, but such reserves must not exceed 50% of the remaining amount of net profit for the business year.

Article 36

Subject to the approval by the Assembly the balance sheet profit may be allocated as follows:

- allocated for other reserves from profit;
- distributed among shareholders (dividend);
- payment of bonuses and compensations, and/or participation in profit for the Management Board and the Supervisory Board.

Balance sheet profits may be transferred.

Article 37

Management Board may approve payment of interim dividend during the business year in relation to the forecast net profit for the business year, but such payment may not exceed half the amount remaining after the allocation of reserves from profit, and may

not exceed half the balance sheet profit of the preceding year.
Payment of interim dividends is subject to the approval of the Supervisory Board.

7. ANNOUNCEMENTS AND NOTIFICATION OF SHAREHOLDERS

Article 38

The Company shall make available sufficient information to shareholders and concerned public.

Information and notification of shareholders and other concerned public shall be carried out by means of announcements in electronic form at the Ljubljana Stock Exchange official web site, in accordance with its rules and instructions.

The Company shall also provide relevant announcements in the daily DELO for the entire territory of the Republic of Slovenia if legal regulations or other general rule so explicitly requires.

9. BUSINESS SECRET AND COMPETITION CLAUSE

Article 39

The Company hereby defines that any documents and/or information which may evidently cause considerable damage to the Company if used or employed by unauthorized person(s), and especially such documents so defined by the specific act of the Company, are considered as business secret.

Shareholders, associates, members of Company bodies, and other persons are liable for the breach if they knew or should have known for such nature of relevant information.

The Company shall enact a specific act defining which data are considered as business secret, and accordingly inform shareholders, associates, members of Company bodies, and other persons liable to maintain and protect such secret.

10. COMPANY GENERAL ACTS

Article 40

In addition to the Statute the Company shall form other internal general acts regulating particular issues of internal organization, rules and standards of operations, as well as proceedings and procedures for each particular field of operation of the Company.

The Company shall also keep general acts required by general regulations.

General acts of the Company shall be approved by the Management Board.

11. INCORPORATION AND CESSATION

Article 41

The Company is incorporated for an indefinite period of time.

Article 42

The Company shall cease its business for the reasons and in line with the proceedings defined by legal regulations.

12. TRANSITORY AND FINAL PROVISIONS

Article 43

Amendments and supplements of the present Statute shall become executable with the date of their entry into the Court Register.

Article 44

Any interpretations of the present Statute fall into the competence of Assembly.

This final version of the Statute of Gorenje, d.d., is prepared based on the authorization of the 20th Shareholders Assembly, and on the resolution of the capital increase on August 23rd 2013, to the Supervisory Board, which was defined at the 46th Supervisory Board Meeting on December 18th 2013.

Gorenje, d.d., Supervisory Board Chairman:
Uroš Slavinec
