**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBER OF  
COSMAZIN TECHNOLOGY (HK) CO., LIMITED  
科美姿科技(香港)有限公司  
(incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of COSMAZIN TECHNOLOGY (HK) CO., LIMITED (“the Company”) set out on pages 6 to 13 which comprise the statement of financial position as at 31 December 2020, the income statement of changes in equity and statement of cashflows for the period from 5 November 2019 (Date of incorporation) to 31 December 2020, and notes to the financial statements, which include a summary of significant accounting policies.

In my opinion, the financial statements of the Company for the year ended 31 December 2020 are prepared, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-Sized Entities (“IFRS for SMEs”).

**Basis for Opinion**

I have conducted my audit in accordance with “IFRS for SMEs”. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other Information**

The directors are responsible for the other information. The other information comprises the information included in the director's report and detailed income statement, but does not include the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon. In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**TO THE MEMBER OF**

**COSMAZIN TECHNOLOGY (HK) CO., LIMITED**

**Responsibilities of the Directors and Those Charged with Governance for the Financial Statements**

The directors are responsible for the preparation of the International Financial Reporting Standard for Small and Mediumsized Entities (“IFRS for SMEs”), and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the director is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes my opinion. This report is made solely to you, as a body, International Financial Reporting Standard for Small and Mediumsized Entities (“IFRS for SMEs”). I do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditors' report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control, if any, that I identify during my audit.

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE PERIOD FROM 5 NOVEMBER 2019 (DATE OF INCORPORATION) TO 31 DECEMBER 2020**

**1 GENERAL INFORMATION**

The Company is a limited liability company incorporated in Hong Kong under Hong Kong Companies Ordinance on 5 November 2019. The address of its registered office is located at Room A, 12/F., ZJ 300, 300 Lockhart Road, Wanchai, Hong Kong. The Company was inactive during the period.

**2 BASIS OF PREPARATION AND ACCOUNTING POLICIES**

These financial statements have been prepared on a going concern basis and in compliance with the International Financial Reporting Standard for Small and Medium-sized Entities (“IFRS for SMEs”) issued by the International Accounting Standards Board. The measurement basis used is the historical cost basis, except where otherwise stated in the accounting policies below.

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements.

(a) Taxation

Income tax expense represents current tax expenses. The income tax payable represents the amount expected to be paid to the taxation authority, using the tax rates that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

(b) Accruals and other payables

Accruals and others payables are recognised initially at the transaction price (including transaction costs) and subsequently measured at amortised cost using the effective interest method.
