If a broker who is not the ultimate beneficial owner is recorded in the Central Register as a shareholder, the shareholders can exercise their voting right based on proof referred to in the second paragraph of Article 235.č of the ZGD-1 showing who the ultimate beneficial owner is on the record date. The registration forms shall be sent by post to the following address: Petrol d.d., Ljubljana, Uprava družbe – za skupščino, Dunajska cesta 50, 1000 Ljubljana, so that the Management Board receives them not later than by the end of the fourth day prior to the General Meeting. Registrations sent through electronic media will not be valid. Only the registration forms containing original signatures of the shareholders and/or representatives or proxies will be deemed to be valid. The registration form is available on the company's website and can be obtained free of charge at the Company's headquarters in Ljubljana, Dunajska cesta 50 (information office) each workday from 10:00 to 13:00 from publishing the notice convening the General Meeting to the day of the General Meeting.

Each shareholder who is entitled to attend the General Meeting may authorise a proxy to register for participation on their behalf and to attend the General Meeting and exercise the shareholder's voting

rights. Such authorisation shall be given in writing and submitted to the Company where it shall be kept. The forms for registration, participation and exercise of voting rights by proxy are available on the Company's website; they can also be obtained free of charge at the Company headquarters in Ljubljana, Dunajska cesta 50 (information office), each workday from 10:00 to 13:00 from publishing the notice to convene the General Meeting to the day of the General Meeting. The Company is entitled to verify the identity of a shareholder or a person who submits the authorisation by e-mail, as well as the authenticity of their signatures. Shareholders are entitled to revoke the authorisation in the same manner as when submitting it, at any time before the day of the General Meeting.

–A proxy may exercise or entrust the exercising of a voting right for shares that they do not hold only if they have been granted written proxy authorisation to do so. A proxy shall keep the authorisation so as to ensure that it can be verified. Authorisation may be issued to an individual proxy and be revoked at any time. A proxy is entitled to authorise persons not employed by them to exercise the proxy authorisation only if this is explicitly permitted in the authorisation. If based on authorisation a proxy exercises a voting right on behalf of a shareholder, the proxy authorisation document shall be submitted to the Company where it shall be kept. A proxy shall call upon the relevant shareholder to provide them with instructions for exercising the voting right and shall stress that their potential failure to provide instructions for exercising the voting right shall result in the voting right being exercised under such proxy's own proposals, which shall be notified to the shareholder, except if it can be presumed that the shareholder would approve of their different decision if they were aware of the state of the facts. The same rules such as defined in this paragraph shall apply *mutatis mutandis* to fiduciary account holders in relation to shares that they do not hold, voting advisors and other persons exercising a voting right in the name of a shareholder on the basis of a proxy authorisation as their activity. Upon request, shareholders and/or their representatives or proxies must present a personal identity document and written authorisation; a legal representative must also present an extract from the Court Register of Companies or Business Register.

The shareholders are kindly asked to register at the reception office one hour prior to the commencement of the meeting, in order to confirm their attendance by affixing their signatures to the list of shareholders and to collect the voting papers.

Working papers to Item 2 of the Agenda

2. Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the loss resulting from the energy commodity price regulation in 2022 and the compensation for the loss by the Republic of Slovenia and the Republic of Croatia and the effect thereof on the operations and the credit rating of the Company/Group in 2022 and the assessment of the effect thereof on the operations of the Company/Group in 2023.

Resolution proposal:

2.1.

The General Meeting has been briefed on the Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the loss resulting from the energy commodity price regulation in 2022 and the compensation for the loss by the Republic of Slovenia and the Republic of Croatia and the effect thereof on the operations and the credit rating of the Company/Group in 2022 and the assessment of the effect thereof on the operations of the Company/Group in 2023.

Substantiation:

The Republic of Slovenia and the Republic of Croatia have regulated the prices of energy commodities on several occasions and in various periods in 2022, which has significantly affected the operations of the entire Petrol Group in 2022.

At its 21st meeting, the Supervisory Board of Petrol d.d., Ljubljana, was briefed on the Report on the Operations of the Petrol Group and Petrol d.d. in the First Nine Months of 2022. As a result of the measures imposed by the Government of the Republic of Slovenia on the Slovenian motor fuel market, Petrol d.d. recorded a decrease in the operating profit (EBIT) in the amount of EUR 108.9 million. As a result of the measures imposed by the Government of the Republic of Croatia on the Croatian motor fuel market, the Petrol Group recorded a decrease in the operating profit (EBIT) in the amount of EUR 34.6 million. For these reasons, the Petrol Group's operating profit (EBIT) is lower by EUR 143.5 million. A further decrease in the operating profit in Slovenia was recorded as a result of the electricity and natural gas price regulation. During the validity of the measures, the Company/Group sold motor fuels at prices below their cost; therefore, it has suffered a serious economic loss.

In Croatia, which is the Petrol Group's second most important market and where the retail prices of petroleum products have been regulated since 7 February 2022, Petrol also sold petroleum products with a negative margin during certain periods.

The imposed regulatory measures have been fundamentally changing the Petrol Group's operating conditions and materially affecting its financial position. The Republic of Slovenia and the Republic of Croatia are obliged to compensate the Petrol Group for the incurred economic loss. Despite the activities carried out by the Company's management and the Company's Supervisory Board calling on the Government of the Republic of Slovenia to compensate for the loss and prevent the further negative effects on the operations of the Company/Group, loss has not been compensated to date.

Working papers to Item 3 of the Agenda

3. Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the operations of the subsidiary Geoplin d.o.o. in 2022.

Resolution proposal:

3.1.

The General Meeting has been briefed on the Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the operations of the subsidiary Geoplin d.o.o. in 2022.

Substantiation:

The Petrol Group's operations are also significantly affected by the operations of its subsidiary Geoplin d.o.o., Ljubljana, in which Petrol d.d., Ljubljana holds a 74.34 percent ownership share. According to the publicly available information and reports, the company has difficulties in ensuring liquidity and, as a result, also capital because of the disruptions in the supply of the Russian natural gas and the increased purchases of a more expensive gas from alternative sources.

Attachments to item 3 of the agenda:

The resolution is adopted by a majority of the votes cast.

The resolution is proposed by the shareholders VIZIJA HOLDING, d.o.o. and VIZIJA HOLDING ENA, d.o.o.

Working papers to Item 4 of the Agenda

4. Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the effects of the petroleum product, gas, and electricity price regulation on the operations of the Company/Group in 2022 and the assessment of the effect thereof on the operations of the Company/Group in 2023.

Resolution proposal:

4.1.

The General Meeting has been briefed on the Report of the Supervisory Board and Report of the Management Board of Petrol d.d. about the effects of the petroleum product, gas, and electricity price regulation on the operations of the Company/Group in 2022 and the assessment of the effect thereof on the operations of the Company/Group in 2023.

Working papers to Item 5 of the Agenda

5. Removal and election of a substitute member of the Supervisory Board of Petrol d.d., Ljubljana

Resolution proposal:

5.1.

The General Meeting hereby removes Aleksander Zupančič from the function of a Member of the Supervisory Board of Petrol, d.d., effective from 27 December 2022.

5.2.

The General Meeting has appointed Rok Ponikvar as Supervisory Board Member to represent the interests of shareholders in the period from 28 December 2022 to 11 April 2025.

Substantiation:

The third paragraph of Article 21 of the ZSDH-1 (Official Gazette of the Republic of Slovenia, Nos. 25/14 and 140/22) sets out that the candidates for members of supervisory boards of companies with a financial asset of the state shall meet the criteria determined by the act regulating companies and the ZSDH-1. Furthermore, in the fourth bullet of the third paragraph of Article 21, the ZSDH-1 determines that the SSH shall not vote for candidates for membership of supervisory boards who are already members of a management or supervisory body in a company in which the SSH has a majority stake or prevailing influence.

In accordance with the new seventh paragraph of the same Article (amended ZSDH-1A, November 2022), the SSH shall regularly check that the criteria for members of supervisory boards of companies with a financial asset of the state referred to in the second, third and fourth paragraphs of Article 21 are met and, in case the criteria are not met, it shall immediately initiate procedures for the removal of the relevant supervisory board member. This means that members of supervisory boards of companies with a financial asset of the state must meet the indicated criteria throughout their term of office, not only at the time of their appointment to the function.

By taking into account the new legal requirement, the SSH has checked whether the members of the Supervisory Board of Petrol d. d. meet the legal criteria. The review showed that the President of the Supervisory Board of Petrol, d. d., Dr. Janez Žlak, and the Member of the Supervisory Board Aleksander Zupančič do not meet the criteria referred to in the fourth bullet of the third paragraph of Article 21 of the ZSDH-1 because they are already members of the management bodies in companies where the SSH has a majority stake or prevailing interest. Dr. Janez Žlak is a liquidator at RTH d. o. o. – in liquidation, and Aleksander Zupančič is the President of the Management Board of Elektro Ljubljana, d.d.

On 28 November 2022, Dr. Janez Žlak provided a letter of resignation from the position of a liquidator at RTH d. o. o. – in liquidation, which will have resolved his position in terms of the new legislative requirements, whereas Aleksander Zupančič still performs both functions.

Given that Aleksander Zupančič does not meet the criteria referred to in the third paragraph of Article 21 of the ZSDH-1, the SSH is obliged to initiate procedures for his removal (the seventh paragraph of Article 21).

The notice on convening the General Meeting, which will be held on 27 December 2022 (at the request of Vizija holding d. o. o. and Vizija holding ena d. o. o.), does not include an item on the agenda under which removal would be decided; therefore, the SSH is issuing a request to expand (supplement) the General Meeting agenda pursuant to the provision of Article 298 of the ZGD-1, as presented herein.

In order to ensure the smooth continuation of the Supervisory Board's work, the General Meeting should appoint a substitute member of the Supervisory Board at the same time when removing the relevant member of the Supervisory Board. To this end, the SSH proposes that, under the same item, Rok Ponikvar be elected by the General Meeting as a substitute member for a term of office from 28 December 2022 to 11 April 2025.

Rok Ponikvar holds a bachelor's degree in economics from the University of Ljubljana. He is General Manager of Slorest d. o. o. and has experience in managing large systems in the fields of procurement, logistics and sales. Previously, he held various top management and management positions. He was a Management Board Member at Merkur d. d., Purchasing Director, Sales Director, Logistics Director, HR Director, and Purchasing and Logistics Director at Big Bang d. o. o. (the Merkur Group) in the period from 2007 to 2010.

Attachments to item 5 of the agenda:

- A letter from the shareholder SSH of 29 November 2022

Explanation regarding the majority required to adopt the resolution proposal:

Resolution 5.1. requires a three-quarter majority of the share capital represented to be passed.
Resolution 5.2. is adopted by a majority of the votes cast.

The resolution is proposed by the shareholders SSH and the Republic of Slovenia.

SLOVENIAN SOVEREIGN HOLDING

MALA ULICA 5, PO BOX 139
1001 LJUBLJANA
SLOVENIA

Pursuant to Article 19 of the Slovenian Sovereign Holding Act ("ZSDH-1") and the Slovenian Companies Act ("ZGD-1") and in relation to the notice on convening the 35th General Meeting of Shareholders of Petrol d.d., which will be held on 27 December 2022 at 12:00 on Dunajska cesta 48, Ljubljana, the Slovenian Sovereign Holding ("SSH") on its own behalf and on behalf and for the account of the Republic of Slovenia hereby issues the following

REQUEST TO SUPPLEMENT THE AGENDA
of the 35th General Meeting of Shareholders of Petrol d.d.

I.

(Meeting the criterion referred to in the first paragraph of Article 298 of the ZGD-1)

The Republic of Slovenia holds 4,513,980 shares, accounting for 10.818% of the share capital of PETROL, d.d. Pursuant to Articles 18 and 19 of the ZSDH-1, the Republic of Slovenia is represented, on its behalf and for its account, by the SSH.

The SSH holds 5,290,320 shares, accounting for 12.679% of the company's share capital.

The amount of the stakes represented by the SSH serves as the basis for SSH's legal interest to file a request to supplement the agenda.

II.

(The subject of the request to supplement the agenda)

The SSH requests that the agenda of the 35th General Meeting be supplemented by an additional item, by adding a new item 5 after the current item 4 of the agenda. Item 5 shall read:

5. Removal and election of a substitute member of the Supervisory Board of Petrol d. d., Ljubljana

Resolution proposal:

5.1. The General Meeting hereby removes Aleksander Zupančič from the function of a Member of the Supervisory Board of Petrol, d.d., effective from 27 December 2022.

5.2. The General Meeting hereby appoints Rok Ponikvar as Supervisory Board Member to represent the interests of shareholders in the period from 28 December 2022 to 11 April.

Substantiation:

The third paragraph of Article 21 of the ZSDH-1 (Official Gazette of the Republic of Slovenia, Nos. 25/14 and 140/22) sets out that the candidates for members of supervisory boards of companies with a financial asset of the state shall meet the criteria determined by the act regulating companies and the ZSDH-1. Furthermore, in the fourth bullet of the third paragraph of Article 21, the ZSDH-1 determines that the SSH shall not vote for candidates for membership of supervisory boards who are already members of a management or supervisory body in a company in which the SSH has a majority stake or prevailing influence.

In accordance with the new seventh paragraph of the same Article (amended ZSDH-1A, November 2022), the SSH shall regularly check that the criteria for members of supervisory boards of companies with a financial asset of the state referred to in the second, third and fourth paragraphs of Article 21 are met and, in case the criteria are not met, it shall immediately initiate procedures for the removal of the relevant supervisory board member. This means that members of supervisory boards of companies with a financial asset of the state must meet the indicated criteria throughout their term of office, not only at the time of their appointment to the function.

By taking into account the new legal requirement, the SSH has checked whether the members of the Supervisory Board of Petrol d. d. meet the legal criteria. The review showed that the President of the Supervisory Board of Petrol, d. d., Dr. Janez Žlak, and the Member of the Supervisory Board Aleksander Zupančič do not meet the criteria referred to in the fourth bullet of the third paragraph of Article 21 of the ZSDH-1 because they are already members of the management bodies in companies where the SSH has a majority stake or prevailing interest. Dr. Janez Žlak is a liquidator at RTH d. o. o. – in liquidation, and Aleksander Zupančič is the President of the Management Board of Elektro Ljubljana, d. d.

On 28 November 2022, Dr. Janez Žlak provided a letter of resignation from the position of a liquidator at RTH d. o. o. – in liquidation, which will have resolved his position in terms of the new legislative requirements, whereas Aleksander Zupančič still performs both functions.

Given that Aleksander Zupančič does not meet the criteria referred to in the third paragraph of Article 21 of the ZSDH-1, the SSH is obliged to initiate procedures for his removal (the seventh paragraph of Article 21).

The notice on convening the General Meeting, which will be held on 27 December 2022 (at the request of Vizija holding d. o. o. and Vizija holding ena d. o. o.), does not include an item on the agenda under which removal would be decided; therefore, the SSH is issuing a request to expand (supplement) the General Meeting agenda pursuant to the provision of Article 298 of the ZGD-1, as presented herein.

In order to ensure the smooth continuation of the Supervisory Board's work, the General Meeting should appoint a substitute member of the Supervisory Board at the same time when removing the relevant member of the Supervisory Board. To this end, the SSH proposes that, under the same item, Rok Ponikvar be elected by the General Meeting as a substitute member for a term of office from 28 December 2022 to 11 April 2025.

Rok Ponikvar holds a bachelor's degree in economics from the University of Ljubljana. He is General Manager of Slorest d. o. o. and has experience in managing large systems in the fields

of procurement, logistics and sales. Previously, he held various top management and management positions. He was a Management Board Member at Merkur d. d., Purchasing Director, Sales Director, Logistics Director, HR Director, and Purchasing and Logistics Director at Big Bang d. o. o. (the Merkur Group) in the period from 2007 to 2010.
